

Invitation to Tender

Project title: Empowering Albanian Resilience co-implementing a Multi-Hazard Early Warning System Nationwide (EAR -MHEWS)
Project N°: 21.2314.9-004.00
Country: Albania

Ladies and Gentlemen,

The National Civil Protection Agency (NCPA) is an Agency within the Ministry of Defence (MoD) of Albania (the Ministry responsible for civil protection and for disaster risk management in country level). NCPA exercises coordinating, technical supervisory, leading, and serves as a controlling national authority in the field of disaster risk reduction and civil protection. The purpose of Civil Protection is to reduce the Risk from Disasters and to implement Civil Defense to guarantee the protection of human life, living things, property, cultural heritage and the environment, through the strengthening of the Civil defense system, by defining the responsibilities of institutions and structures of this system, international cooperation, rights and obligations of citizens and private entities, education, training and inspection.

The project “**Empowering Albanian Resilience co-implementing a Multi-Hazard Early Warning System Nationwide (EAR -MHEWS)**” is implemented by NCPA and their national partners will put in place a fit-for purpose MHEWS that addresses, for the first time, multiple climate hazards in a structured, coordinated and ‘joined up’ manner. The geographical scope of the MHEWS will be national, although, of course, individual hazard-related needs will be geographically differentiated: for instance, flooding is particularly prominent in flood-prone areas of the coastal belt.

This project is an integral part of the Green Climate Fund (GCF) co-financed [Programme for Climate Resilient Urban Development in Albania](#) – ALBAdapt.

The focus area of the ALBAdapt programme is adaptation. ALBAdapt aims to increase the climate resilience of the Albanian population through generation, coordination and effective use of climate information – supported by a functional National meteorological and hydrological service (NMHS) and National Framework for Climate Services (NFCS) – and a people-centred multi-hazard early warning system (MHEWS), which together constitute a ‘joined-up’ climate information and early warning system (CIEWS).

ALBAdapt has 3 components as follows:

- Component 1 – Weather, hydrological and climate information service
- Component 2 - Multi-hazard early warning systems and early action
- Component 3 – Climate-informed investments decisions

We intend to proceed with the procurement of IT equipment, in accordance with the attached technical specifications, to support the programme team in the implementation of its activities.

Please see the attached “Technical Specifications” (Annex 1) for detailed information.

Submission deadline and Labelling of offer

Should you be interested in delivering the goods according the attached Technical Specifications, we kindly ask you to submit your bid in one original to NCPA by 17.11.2025.

Please address your bid to:

National Civil Protection Agency (NCPA)

Ministry of Defence, Dibra Street, "Skënderbej" Garrison, Building No. 36

Tirana, Albania

If you have any further questions regarding the tender, please only contact info.ear-mhews@akmc.gov.al, at the NCPA Office. Kindly note that questions will only be accepted up to three days before the submission deadline.

Bids are to be submitted using the two-envelope procedure

- a. Expression of interest and technical offer;
- b. Financial offer.

The documents must be placed in a separate, sealed envelope, with the outer package/envelope clearly labelled as follows:

Bidding documents

Project title: Empowering Albanian Resilience co-implementing a Multi-Hazard Early Warning System Nationwide (EAR -MHEWS)

Project N°: 21.2314.9-004.00

Financial offer for bid

Project title: Empowering Albanian Resilience co-implementing a Multi-Hazard Early Warning System Nationwide (EAR -MHEWS)

Project N°:21.2314.9-004.00

The envelopes must be submitted to the institution's protocol office till **17.11.2025** at **16:00**, which constitutes the last opportunity for submission.

Content of the offer

All copies of the bid must be submitted in written form.

If you are forming a bidding consortium or association, the bid must show who the members are and how the work is divided between them. Specifically, all members must name the lead member and authorize this member to represent the association and to receive payments on behalf of the other members. The members must also acknowledge joint and several liabilities for performing the contract. A corresponding written authorization must be attached to the bid.

The offer shall be submitted in the language of the tender documents.

The technical offer submitted must contain a detailed technical proposal in accordance with the specifications of the required product.

The Declaration of Conflict of Interest (Annex 2) and the Exclusion Criteria Declaration (Annex 3) must be duly completed and submitted as part of the bid.

Content of the price offer

The financial offer must contain the price per unit and other cost if necessary, in local currency and specified according Annex 4 (price schedule). Please see the attached Technical Specifications for details of the quantities required. Please calculate your prices on a gross basis.

Evaluation of Offer

The evaluation of the bids is scheduled to be completed by **27.11.2025**. The evaluation of the financial offer will be carried out after the opening of the technical offer envelope.

The final result is an overall ranking, headed by the most cost-effective bid. Contract negotiations will be initiated on the basis of this overall ranking.

Commencement of work

The delivery of goods is scheduled to be completed within [4 weeks after signing the contract](#). The offer is considered valid until the completion of the contract finalization process.

Yours sincerely,

The National Civil Protection Agency (NCPA)

Annexes:

1. Technical Specification;
2. Declaration of Conflict of Interest;
3. Exclusion Criteria Declaration;
4. Price Schedule.

Annex 1

Technical specifications

1. Laptop Adv

- CPU: Intel Core i7-13620H (or equivalent processor)
 - RAM: 32GB DDR4/DDR5 (minimum)
 - Storage: 512GB NVMe SSD (M.2 PCIe Gen3 or faster)
 - Display: 15.6" Full HD (1920x1080), IPS, anti-glare
 - GPU: Intel Iris Xe or mid-range dedicated GPU
 - Operating System: Windows 11 Pro 64-bit
 - Ports: 1x USB-C with Thunderbolt 4 support, 2x USB-A 3.2 Gen1, 1x HDMI 2.0 or newer, 3.5mm audio jack
 - Connectivity: Wi-Fi 6 (802.11ax), Bluetooth 5.2
 - Battery: Minimum 6–8 hours of use, weight under 2 kg
 - Security: TPM 2.0, optional fingerprint reader
-

2. Professional Audip Headphones

- **Connection:** Bluetooth 5.1 + USB dongle (2.4GHz)
 - **ANC:** Active Noise Cancellation with ambient noise filtering
 - **Microphone:** High sensitivity, clear voice for calls
 - **Battery Life:** Up to 15 hours with ANC active
 - **Compatibility:** Zoom, Microsoft Teams, Google Meet, Cisco Webex
 - **Controls:** Volume, call, and mute controls on headset
 - **Comfort:** Memory foam ear cushions, ergonomic design for long use
-

3. 1TB external SSD

- **Capacity:** 1TB, NVMe standard
 - **Speed:** Up to 1050 MB/s read, over 900 MB/s write
 - **Interface:** USB 3.2 Gen 2 Type-C (10Gbps)
 - **Protection:** Scratch-resistant and drop-resistant materials
 - **Security:** Hardware encryption support AES 256-bit
-

4. Laptop Docking Station

Main Connection: USB-C with Thunderbolt 3 & 4 support

- **Ports:** 2x DisplayPort 1.4 or HDMI 2.0, 4x USB-A 3.2 Gen1, 2x USB-C (data & charging), 1Gbps Ethernet, 3.5mm Audio In/Out
 - **Power Delivery:** Up to 130W PD for laptops
 - **Display Support:** Up to 3x 4K monitors at 60Hz
 - **Features:** Plug & Play, compact metallic design
-

5. 15.6" laptop bag

- Durable and ergonomic design with reinforced protection
 - Multiple compartments for accessories and documents
 - Adjustable straps, lightweight, and water-resistant
-

6. Wireless Keyboard + Mouse Set (WiFi)

- **Connection:** 2.4 GHz or Bluetooth
 - **Mouse Sensor:** Optical, 1600–2400 DPI precision
 - **Battery:** Long-lasting
 - **Compatibility:** Windows / macOS / Linux
 - **Range:** Stable connection up to 10m
 - **Design:** Compact and lightweight
-

7. Smartphone

- **Display:** 6.1"–6.7" OLED / FHD+
 - **Processor:** Snapdragon 8 Gen 3 or Apple A16 Bionic
 - **Memory:** 8–12GB RAM
 - **Storage:** 128–512GB
 - **Camera:** High-performance for photo/video documentation
 - **Battery:** Durable for intensive use
 - **Protection:** IP68 (water and dust resistant)
 - **Connectivity:** 5G, precise GPS, NFC
-

8. Professional Tablet + Set (bag/keyboard/pencil)

- **Display:** 11" QHD or Retina
 - **Processor:** Snapdragon 8 Gen 2 / Apple M2
 - **Memory:** 8–12GB RAM
 - **Storage:** 128–512GB
 - **Battery:** Long-lasting
 - **Connectivity:** 5G/LTE + Wi-Fi
 - **Stylus Support:** S-Pen / Apple Pencil
 - **Operating System:** Android / iPadOS
-

9. Intel i7 Gen 13 Desktop PC

- **CPU:** Intel Core i7-13700 (16-core)
 - **RAM:** 16–32GB DDR5
 - **Storage:** 512GB NVMe SSD + 1TB HDD
 - **Graphics:** Intel UHD 770 or optional dedicated GPU
 - **Power Supply:** 500W
 - **Case:** Good ventilation
 - **Operating System:** Windows 11 Pro
 - **Software:** Office 2021
-

10. 34" QHD Curved Monitor

- **Size:** 34"
 - **Resolution:** QHD 3440x1440
 - **Aspect Ratio:** 21:9 UltraWide
 - **Panel:** VA / IPS
 - **Ports:** HDMI + DisplayPort + USB-C
 - **Refresh Rate:** 75–165Hz
 - **Design:** Ergonomic with multitasking support
 - **Eye Care:** Low Blue Light & Flicker-Free
-

11. Power Bank 20,000 mAh

- High capacity for charging multiple devices (smartphone, tablet, camera, etc.)

- Outputs: USB-A and USB-C
 - Overheat, overload, and over-discharge protection
 - Lightweight and compact for field use
-

12. Patch Cord Cat7 5m

- High throughput up to 10 Gbps
 - Double-shielded cable
 - RJ45 connectors with gold contacts
 - Flexible and durable
 - Suitable for fast and stable network connections
-

13. Mirrorless/professional camera

- **Sensor:** APS-C 32.5MP, Dual Pixel AF
 - **Video:** 4K60p
 - **Connectivity:** Wi-Fi/Bluetooth
-

14. Standard ZOOM Lens for APS-C sensor (compatible with the model above)

- Focus: STM (Stepping Engine)
 - Zoom: 18-150mm, stabilization optical IS integrated
 - Aperture: f/3.5-6.3
 - Suitable for camera above noise 13
 - All-purpose zoom with integrated stabilization (IS), silent STM focus
-

15. Ultra-wide lens for APS-C sensor (compatible with the model above)

- Focus: Autofocus
 - Fisheye or 10-18mm with f/4.5-5.6 aperture
 - Stabilization optical optional
 - Suitable for camera above noise 13
 - Ultra-wide lens for indoor or group shots
-

16. Professional tripod

Aluminum with fluid video head, height up to 180cm

17. SD Card UHS-II 256GB

- Capacity : 256GB
 - Standard: UHS-II, class speed U3, V60 or more
 - Speed read / write: over 250/200 MB/s
 - High-speed read/write for 4K and RAW video
-

18. Spare battery LP-E6NH (compatible with the model above)

- EOS R7
 - Capacity about 2130 mAh
 - Suitable for camera above noise 13
 - Long lifespan
-

19. Dual Charger (compatible with the model above)

- Capacity: charger two LP-E6NH battery at the same time
 - Outputs: USB-C and / or micro USB
 - With protection BY overheating
 - Suitable for camera above noise 13
 - Dual charging (USB-C or Canon)
-

20. Professional shotgun microphone

- Frequency: 20 Hz – 20 kHz
 - Connection: XLR, professional audio level
 - Suitable for camera above noise 13
 - Clear audio for conference and video recording
-

21. Professional teleprompter

- 70/30 reflective glass
 - Compatible with DSLR/mirrorless cameras and tablet/smartphone
 - Aluminum construction, adjustable angle
 - Supports up to 11" screen
 - Compatible with teleprompter apps (Android/iOS)
 - Includes carrying case
-

22. Professional microphone Mic 2

- Configuration: 2 transmitters + 1 receiver
 - Recording: Built-in recording with 14-hour internal memory
 - Compatibility: Camera, smartphone, and PC
 - Display: Touchscreen LCD
 - Sensitivity: High-sensitivity microphone
 - Audio Control: Automatic sound limiter
 - Usage: Ideal for video production and recording
-

23. Monitoring headphones (MDR-7506)

- Real-time voice monitoring
-

24. Secure camera carrying bag (for the above camera and accessories)

- Resistant material
 - Separate compartments for camera, lenses and accessories
-

25. Starlink Standard Kit

- Includes satellite antenna, Wi-Fi router, power cable, and mounting base
 - Supports 100–200 Mbps connectivity in ROAM zones
-

26. Starlink 50GB ROAM mobile Subscription

- Starlink ROAM package with guaranteed access up to 50 mobile units and fixed subscription option
-

27. A3/A4 Multifunction Copier (Networked MFP)

- Printing, copying, color scanning, speed 35-45 pages/min, network connection (Ethernet/WiFi), touchscreen, automatic duplex, large paper capacity, fax function (optional)
 - Printing, copying, color scanning
 - Speed: 35–45 pages/min
 - Network connectivity: Ethernet/Wi-Fi
 - Touchscreen display
 - Automatic duplex
 - High paper tray capacity
 - Optional fax function
-

28. Spare ink for A3/A4 multifunctional photocopier (compatible with the model above)

- Ink Type: Professional ink for graphic and technical use
 - Colors: Cyan, Magenta, Yellow, Black
 - Compatibility: Original inks for the printer described above
-

29. Portable multifunctional photocopier A4 b/w

- Printing, copying, scanning
 - Speed: 35–45 pages/min
 - Network connectivity: Ethernet/Wi-Fi
 - Touchscreen display
 - Duplex automatic
-

30. Toner (compatible with the model above)

- **Ink Type:** Professional black ink for technical use
 - **Compatibility:** Original inks for the described printer above
-

31. GPS vehicle tracking device

- Real-time GPS/GSM tracking
 - Location accuracy up to 5 meters
 - Web and mobile app for monitoring
 - Supports alerts (overspeed, geofence, battery status)
 - 4G LTE connectivity
-

32. Portable Thermal Printer A4

- High-resolution thermal printing
 - Bluetooth and USB connectivity
 - Built-in battery (4–6 hours autonomy)
 - Lightweight and portable
 - Compatible with Android, iOS, and Windows
-

33. Wide-format inkjet printer with a minimum width of 44 inches, with high resolution and support for technical and graphic documents

- 5-color LUCIA TD pigment ink system
 - Ultra-precise printing up to 2400 dpi
 - Supports A0+ (41") format
 - Compatible with various materials (adhesive paper, vinyl, etc.)
 - USB and Ethernet connectivity
 - Professional-quality prints for maps, graphic design, and drawings
-

34. Pigment ink set for the aforementioned wide format printer

- Ink Type: Professional pigment ink for graphic and technical use
 - Colors: Minimum 5 individual inks (Cyan, Magenta, Yellow, Black, etc.)
 - Compatibility: Original inks for the above printer
-

35. 70" UHD Monitor + Mobile base with wheels (dolly) with brakes and safety brackets. For easy transport and placement in the field, brakes for stabilization

- 4K UHD (3840x2160) LED/LCD display
- 24/7 professional use
- Supports video loop and built-in media player
- HDMI, USB, DisplayPort connectivity

- Remote control options
 - Durable design for public environments (e.g., office entrances, info/reception areas)
-

36. PVC Card Printer Set, PVC Cards – CR80, Ink Ribbon 300 cards + Design Software

- Single-sided printing (optional double-sided)
 - Minimum resolution: 300 dpi
 - Connectivity: USB 2.0 and Ethernet (Wi-Fi preferred)
 - Basic software for design (photo, name, logo)
 - PVC Cards (CR80): 100 pcs per pack, high-quality PVC, thickness 0.76mm, size 85.6 x 54mm
 - Ribbon: Capacity 200–300 cards per ribbon
 - Compatible with the described printer
-

37. Headphones for On-Site Interpretation / Field Translation

- 20 wireless headsets with microphone and long-range transmitters
 - Suitable for indoor and outdoor use
 - High-quality audio, resistant to radio interference
-

38. High-Tech Conference Office Equipment – 20 workstations

- Professional audio systems, translation simultaneous 20 channels
 - Headset
 - Includes large display minimum 75", HD/4K camera with autofocus, camera, microphones, interpretation system, and professional audio
-

39. Installation and Maintenance of Electronic Equipment

- Includes installation, configuration, testing, troubleshooting, updates, and ongoing technical support according to safety and quality standards.
- 24/7 IT assistance

Annex 2

Declaration of Conflict of Interest

I, the undersigned,

Name: _____

Position: _____

Company/Organization: _____

Hereby declare that I have no conflict of interest related to the tender process for the “Purchase of IT Equipment”.

I confirm that neither I nor any close relatives or business partners have any direct or indirect interest that could influence the outcome of this procurement procedure.

I commit to immediately inform the contracting authority should any conflict of interest arise during the evaluation or contract implementation.

Signature: _____

Date: _____

Annex 3

Exclusion Criteria Declaration

I, the undersigned,

Name: _____

Position: _____

Company/Organization: _____

Declare that neither I nor the company/organization I represent is subject to any of the exclusion criteria listed below, as per the procurement regulations:

- Bankruptcy, insolvency or similar proceedings ongoing;
- Conviction by final judgment for professional misconduct;
- Serious misrepresentation in providing information required for participation;
- Non-compliance with tax or social security obligations;
- Conflict of interest as defined by procurement rules;
- Other criteria as specified in the tender documents.

I understand that providing false information may result in exclusion from the procedure and legal consequences.

Signature: _____

Date: _____

Annex 4

Price Schedule

No.	Item	Technical specifications	amount	Unit	Price
1	Laptop Adv	CPU: Intel Core i7-13620H (or equivalent processor) RAM: 32GB DDR4/DDR5 (minimum) Storage: 512GB NVMe SSD (M.2 PCIe Gen3 or faster) Display: 15.6" Full HD (1920x1080), IPS, anti-glare GPU: Intel Iris Xe or mid-range dedicated GPU Operating System: Windows 11 Pro 64-bit Ports: 1x USB-C with Thunderbolt 4 support, 2x USB-A 3.2 Gen1, 1x HDMI 2.0 or newer, 3.5mm audio jack Connectivity: Wi-Fi 6 (802.11ax), Bluetooth 5.2 Battery: Minimum 6–8 hours of use, weight under 2 kg Security: TPM 2.0, optional fingerprint reader	12	PIECES	
2	Professional Audio Headphones	Connection: Bluetooth 5.1 + USB dongle (2.4GHz) ANC: Active Noise Cancellation with ambient noise filtering Microphone: High sensitivity, clear voice for calls Battery Life: Up to 15 hours with ANC active Compatibility: Zoom, Microsoft Teams, Google Meet, Cisco Webex Controls: Volume, call, and mute controls on headset Comfort: Memory foam ear cushions, ergonomic design for long use	12	PIECES	
3	1TB external SSD	Capacity: 1TB, NVMe standard Speed: Up to 1050 MB/s read, over 900 MB/s write Interface: USB 3.2 Gen 2 Type-C (10Gbps)	12	PIECES	

		Protection: Scratch-resistant and drop-resistant materials Security: Hardware encryption support AES 256-bit			
4	Laptop Docking Station	Main Connection: USB-C with Thunderbolt 3 & 4 support Ports: 2x DisplayPort 1.4 or HDMI 2.0, 4x USB-A 3.2 Gen1, 2x USB-C (data & charging), 1Gbps Ethernet, 3.5mm Audio In/Out Power Delivery: Up to 130W PD for laptops Display Support: Up to 3x 4K monitors at 60Hz Features: Plug & Play, compact metallic design	12	PIECES	
5	15.6" laptop bag	Durable and ergonomic design with reinforced protection Multiple compartments for accessories and documents Adjustable straps, lightweight, and water-resistant	12	PIECES	
6	Wireless Keyboard + Mouse Set (Wifi)	Connection: 2.4 GHz or Bluetooth Mouse Sensor: Optical, 1600–2400 DPI precision Battery: Long-lasting Compatibility: Windows / macOS / Linux Range: Stable connection up to 10m Design: Compact and lightweigh	12	PIECES	
7	Smartphone	Display: 6.1"–6.7" OLED / FHD+ Processor: Snapdragon 8 Gen 3 or Apple A16 Bionic Memory: 8–12GB RAM Storage: 128–512GB Camera: High-performance for photo/video documentation Battery: Durable for intensive use Protection: IP68 (water and dust resistant) Connectivity: 5G, precise GPS, NFC	6	PIECES	

8	Professional Tablet + Set (bag/keyboard/pencil)	Display: 11" QHD or Retina Processor: Snapdragon 8 Gen 2 / Apple M2 Memory: 8–12GB RAM Storage: 128–512GB Battery: Long-lasting Connectivity: 5G/LTE + Wi-Fi Stylus Support: S-Pen / Apple Pencil Operating System: Android / iPadOS	12	PIECES	
9	Intel i7 Gen 13 Desktop PC	CPU: Intel Core i7-13700 (16-core) RAM: 16–32GB DDR5 Storage: 512GB NVMe SSD + 1TB HDD Graphics: Intel UHD 770 or optional dedicated GPU Power Supply: 500W Case: Good ventilation Operating System: Windows 11 Pro Software: Office 2021	12	PIECES	
10	34" QHD Curved Monitor	Size: 34" Resolution: QHD 3440x1440 Aspect Ratio: 21:9 UltraWide Panel: VA / IPS Ports: HDMI + DisplayPort + USB-C Refresh Rate: 75–165Hz Design: Ergonomic with multitasking support Eye Care: Low Blue Light & Flicker-Free	12	PIECES	
11	Power Bank 20,000mAh	High capacity for charging multiple devices (smartphone, tablet, camera, etc.) Outputs: USB-A and USB-C Overheat, overload, and over-discharge protection Lightweight and compact for field use	12	PIECES	
12	Patch Cord Cat7 5m	High throughput up to 10 Gbps	12	PIECES	

		Double-shielded cable RJ45 connectors with gold contacts Flexible and durable Suitable for fast and stable network connections			
13	Mirrorless/professional camera	Sensor: APS-C 32.5MP, Dual Pixel AF Video: 4K60p Connectivity: Wi-Fi/Bluetooth	1	PIECES	
14	Standard zoom lens for APS-C sensor (compatible with the model above)	Focus: STM (Stepping Engine) Zoom: 18-150mm, stabilization optical IS integrated Aperture: f/3.5-6.3 Suitable for camera above noise 13 All-purpose zoom with integrated stabilization (IS), silent STM focus	1	PIECES	
15	Ultra-wide lens for APS-C sensor (compatible with the model above)	Focus: Autofocus Fisheye or 10-18mm with f/4.5-5.6 aperture Stabilization optical optional Suitable for camera above noise 13 Ultra-wide lens for indoor or group shots	1	PIECES	
16	Professional tripod	Aluminum with fluid video head, height up to 180cm	1	PIECES	
17	SD card UHS-II 256GB	Capacity: 256GB Standard: UHS-II, class speed U3, V60 or more Speed read / write: over 250/200 MB/s High-speed read/write for 4K and RAW video	1	PIECES	
18	Spare battery LP-E6NH (compatible with the model above)	EOS R7 Capacity about 2130 mAh Suitable for camera above noise 13 Long lifespan	2	PIECES	
19	Dual Charger (compatible with the model above)	Capacity: charger two LP-E6NH battery at the same time Outputs: USB-C and / or micro USB With protection BY overheating Suitable for camera above noise 13	1	PIECES	

		Dual charging (USB-C or Canon)			
20	Professional shotgun microphone	Frequency: 20 Hz – 20 kHz Connection: XLR, professional audio level Suitable for camera above noise 13 Clear audio for conference and video recording	1	PIECES	
21	Professional teleprompter	70/30 reflective glass Compatible with DSLR/mirrorless cameras and tablet/smartphone Aluminum construction, adjustable angle Supports up to 11" screen Compatible with teleprompter apps (Android/iOS) Includes carrying case	1	PIECES	
22	Professional microphone Mic 2	Configuration: 2 transmitters + 1 receiver Recording: Built-in recording with 14-hour internal memory Compatibility: Camera, smartphone, and PC Display: Touchscreen LCD Sensitivity: High-sensitivity microphone Audio Control: Automatic sound limiter Usage: Ideal for video production and recording	1	PIECES	
23	Monitoring headphones (MDR-7506)	Real-time voice monitoring	1	PIECES	
24	Secure camera carrying bag (for the above camera and accessories)	Separate compartments for camera, lenses and accessories	1	PIECES	
25	Starlink Standard Kit	Includes satellite antenna, Wi-Fi router, power cable, and mounting base Supports 100–200 Mbps connectivity in ROAM zones	1	PIECES	
26	Starlink 50 GB ROAM mobile subscription	Starlink ROAM package with guaranteed access up to 50 mobile units and fixed subscription option	1	YEAR	

27	A3/A4 Multifunction Copier (Networked MFP)	Printing, copying, color scanning, speed 35-45 pages/min, network connection (Ethernet/WiFi), touchscreen, automatic duplex, large paper capacity, fax function (optional) Printing, copying, color scanning Speed: 35–45 pages/min Network connectivity: Ethernet/Wi-Fi Touchscreen display Automatic duplex High paper tray capacity Optional fax function	1	PIECES	
28	Spare ink for A3/A4 multifunctional photocopier (compatible with the model above)	Ink Type: Professional ink for graphic and technical use Colors: Cyan, Magenta, Yellow, Black Compatibility: Original inks for the printer described above	10	PIECES	
29	Portable multifunctional photocopier A4 b/w	Printing, copying, scanning Speed: 35–45 pages/min Network connectivity: Ethernet/Wi-Fi Touchscreen display Duplex automatic	2	PIECES	
30	Toner (compatible with the model above)	Ink Type: Professional black ink for technical use Compatibility: Original inks for the described printer above	12	PIECES	
31	GPS vehicle tracking device	Real-time GPS/GSM tracking Location accuracy up to 5 meters Web and mobile app for monitoring Supports alerts (overspeed, geofence, battery status) 4G LTE connectivity	6	PIECES	
32	Portable Thermal Printer A4	High-resolution thermal printing Bluetooth and USB connectivity Built-in battery (4–6 hours autonomy) Lightweight and portable	4	PIECES	

		Compatible with Android, iOS, and Windows			
33	Wide-format inkjet printer with a minimum width of 44 inches, with high resolution and support for technical and graphic documents	5-color LUCIA TD pigment ink system Ultra-precise printing up to 2400 dpi Supports A0+ (41") format Compatible with various materials (adhesive paper, vinyl, etc.) USB and Ethernet connectivity Professional-quality prints for maps, graphic design, and drawings	1	PIECES	
34	Pigment ink set for the aforementioned wide format printer	Ink Type: Professional pigment ink for graphic and technical use Colors: Minimum 5 individual inks (Cyan, Magenta, Yellow, Black, etc.) Compatibility: Original inks for the above printer	2	PIECES	
35	70" UHD Monitor + Mobile base with wheels (dolly) with brakes and safety brackets. For easy transport and placement in the field, brakes for stabilization	4K UHD (3840x2160) LED/LCD display 24/7 professional use Supports video loop and built-in media player HDMI, USB, DisplayPort connectivity Remote control options Durable design for public environments (e.g., office entrances, info/reception areas)	2	PIECES	
36	PVC Card Printer Set, PVC Cards – CR80, Ink Ribbon 300 cards + Design Software	Single-sided printing (optional double-sided) Minimum resolution: 300 dpi Connectivity: USB 2.0 and Ethernet (Wi-Fi preferred) Basic software for design (photo, name, logo) PVC Cards (CR80): 100 pcs per pack, high-quality PVC, thickness 0.76mm, size 85.6 x 54mm Ribbon: Capacity 200–300 cards per ribbon Compatible with the described printer	1	PIECES	
37	Headphones for On-Site Interpretation / Field Translation	20 wireless headsets with microphone and long-range transmitters Suitable for indoor and outdoor use High-quality audio, resistant to radio interference	1	PIECES	

38	High-Tech Conference Office Equipment – 20 workstations	Professional audio systems, translation simultaneous 20 channels Headset Includes large display minimum 75", HD/4K camera with autofocus, camera, microphones, interpretation system, and professional audio	1	PIECES	
39	Installation and Maintenance of Electronic Equipment	Includes installation, configuration, testing, troubleshooting, updates, and ongoing technical support according to safety and quality standards. 24/7 IT assistance	3	YEARS	
	Limit Fund (excl. VAT)
